

VOTE AVISH FOR RCSA CHAIR!

LISTEN.

It's no secret that the RCSA Chair position needs change, and badly. Under Tyrannical Tomás, we've seen poor leadership and lack of transparency. It's time for a fresh start.

say goodbye to...

corruption, nepotism, favouritism, and a couple other forms of bias.

the planned £2000 college tax increases on YOUR student loans.

Tomás Mayorga, your soon-to-be-former chair. He's going on a year abroad, and we're all going to miss him a lot.

the gangs.

the lengthy, obscurantist, tedious, so-called "constitution" to which we are beholden, in its current form (it will be thoroughly reformed).

dishonest, crooked politicians disconnected from the needs of the common student.

A vote for Avish is a vote for Avish!

I agree to be bound by the Constitution and Policy of the RCSA.

why me?

Nobody else is running. Plus I won't be there for that long, so it's not like I can cause too much damage. Also, Tomás (current chair) endorsed me, unofficially.

as chair...

I intend to crack down on the recent spate of vagrants & other miscreants taking advantage of the RCSA.

I plan to run elections in a timely and efficient manner.

There'll be no more of the spam emails plaguing student inboxes.

I will leverage the *full* power of the RCSA to do everything we can about the ongoing college scandals.
